

The Everest & Jennings Transport Chair is designed as an affordable patient transfer device. Its compact size and lighter weight allow a companion to lift and store the chair with ease.

Standard Features:

- Available in 17" and 19" seat widths
- Steel frame in hammertone silvervein finish
- Fold-down back makes transport and storage easy
- Black padded nylon upholstery is flame retardant
- Carry straps on seat allow for ease of lifting and folding
- Full length padded arms provide user comfort
- Tool-free adjustable detachable swingaway footrests
- Comes standard with 3" webbing black nylon leg strap with velcro adjustable loops to slide over installed footrests
- Black padded nylon leg strap fits 17" and 19" seat width transport chair frames
- Attendant wheel locks on both rear casters for better control and access by companion
- Weighs 24 lb (w/o front rigging)
- Maximum Weight Capacity 250 lb - EVENLY DISTRIBUTED
- Designed to meet the requirements of Medicare code E1038

Warranty:

One (1) year limited warranty
