

Flex-A-Bed Model Comparison

Flex-A-Bed sets the standard for comfort, convenience and custom features in an adjustable bed. Every bed we make is backed by an industry-leading warranty so your customers will enjoy years of comfort and better sleep on their new Flex-A-Bed. Regardless of the model, every Flex-A-Bed is hand built by expert craftsmen in LaFayette, Georgia to your customers' size and height specifications using the same principles of care and consideration that we have built our reputation on since 1969.

What's more, we now offer "hands-off" service to every Flex-A-Bed dealer. In the unlikely event your customer ever has a problem with their Flex-A-Bed, simply have them call our factory service center and we'll take it from there.

Call us at 1-800-421-2277 to talk about any special customer request. We'll work with you to give you a happy customer for life.
