

GO GO
ELITE TRAVELLER® 2

URNS LIKE A 3-WHEEL STABLE LIKE A 4-WHEEL

No four-wheel scooter can turn like the Go Go Elite Traveller® 2 4-Wheel. Thanks to Pride's patented, intelligent-turning, iTurn Technology, it boasts the tightest turning radius of any available 4-wheel scooter at just 37", which means you have 3-wheel scooter agility without compromising 4-wheel scooter stability.

Perfect for all-day travel or activities around the house, the Go Go Elite Traveller 2 4-Wheel has a 300-lb. weight capacity, a top speed of up to 4.23 mph, and a battery range of up to 13.8 miles.⁵
